

Preparing to access instruction

Developed by Deborah Taub © 2013

	What is the concept/skill?	How are the content and materials aligned?	Why is this meaningful for the student?	How will this lesson be assessed? (formative and summative)	What IEP goals fit into this lesson?

Preparing to access instruction

Developed by Deborah Taub © 2013

What materials are needed? What adaptations are needed?

What supports are needed and who will provide them?

How will this lesson engage the student?

How is the student an active learner?

Other needs?
